WHERE MERCY QUALIFIES THE UNQUALIFIED

GET UP AND MOVE FORWARD BY PASTOR GBENGA AYODELE

What manner of man is Jesus? x2 "You are highly lifted up! There is no one like Him" **John 5:1-9** The topic we want to speak on briefly is that I am moving Forward Tell your neighbour – "I am moving forward!" Say it as if you mean it! The Bible says, in **Ecclesiastes 9:4**, it says, – where there is life, there is hope. As long as you are still breathing there is hope for you, as you are breathing, I can assure you the devil has lost the battle over you! (Amen!)

To move forward means the following:

1. The captive shall be set free **Psalm 126:1** As many that are under one captivity or the others, under the forces of darkness, you will be set free and move forward. The chains and shackles of the enemies shall be broken and destroy IJN.
2. Hope for the hopeless **John 11:14-17, 38-53** We were told that Lazarus died and buried for 4 days. The sister said that it was too late when Jesus showed up because the case had become hopeless, but never too late for Jesus. Tell the person sitting to you that "your case will not be too late or impossible for Jesus to attend to.
3. The poor shall be rich **Philippians 4:19** Are you here you think you are very poor and losing hope of making it in life. The good news for you is that, from now on you will move forward and be rich IJN.

WHAT MUST I DO TO MOVE FORWARD

1. Do away with sin **Proverbs 28:13**
2. Be obedience to God **Isaiah 1:19-20**
3. To be at the right place at the right time
