PRAYING IN ONE ACCORD BY PASTOR GBENGA AYODELE

Text: Acts 2:1-4

This week in the RCCG has been declared today as National Day of Prayer UK. Today, we would like to talk on the Prayer in One Accord. What is Prayer? Prayer is a conversation with God. It could mean a request for help or expression of thanks to God or another deity. Accord means to bring into harmony, to be in agreement. It is voluntary desire to take a certain action. What happens when they prayed in one Accord?

1. It makes the time of God to come to pass **Eccl 3:1-8**. God has a time table for all things e.g the time for Israel's deliverance came in **Exodus 3:1-10** for Moses to bring the people of Israel out of Pharaoh bondage. God's time has come for UK to be delivered IJN.
2. In One Accord, in mind, purpose, goal and vision brings the blessing of God. **Psalms 133:1-3**
3. Things happen Suddenly! When God wants to move, he can do His work in minutes. In **John 2:1-11** Mary asked, the NOT YET became NOW. If only we can ask God in one accord, the NOT YET REVIVAL can become NOW. Individually, the THE NOT YET MIRACLE and BREAKTHROUGH can become NOW IJN.
4. There was a sound from Heaven, that is, heaven was not silent concerning one accord prayers. When we pray in unity, God speaks. **Jeremiah 33:3, Psalm 107:17-20** 5. Rushing Mighty Wind. If we pray in one accord always, the wind of God will blow. When the wind blows, it could be for or against. **Exodus 14:21-28** tell us about how Red Sea was parted. When the wind blows, there will be great provision and there will be a way where there seems to be no way.
